\$70,000

At approximately 1033m² and set amongst quality homes, this large allotment is only minutes to main street shopping, schools and medical facilities. With no time limit to build, water connected and bitumen road frontage, this is a perfect opportunity to architecturally design that dream home you've always craved and get it right. The sloping lie of the land allows you to take full advantage of the picturesque valley views to the rear and there is ample room for shedding and outdoor entertaining areas to be incorporated into your plans.
