“Winterbrook Estate” is the latest residential land release and located in the charming country town of Heyfield with picturesque surroundings and relaxed lifestyle living, you and your family will be able to enjoy all that Heyfield and Gippsland have to offer. This allotment is the perfect size for a family home with enough space left for a decent backyard and shedding (STCA), plus there is already an existing rear fence allowing you to save extra dollars right from the start. With many benefits available such as being walking distance to the town centre, parks, shops and sporting amenities, town services available including power, sewage, water and NBN, whilst being one of the most affordable land estates around, these pre-title prices are exceptionally good value with the asking price likely to increase once titles have been issued. These blocks will certainly be popular and won't last long. For more information please contact either Brett Glover on 0408 384 147 or Sarah Bedgood on 0400 614 669.
