Located a short drive from the Morgan township and Murray River you will find 3.04 hectares (7.5 acres) of vacant land. Vacant land waiting for your personal stamp to make it yours and to enjoy as you want. Great location to get away from the hustle and bustle and enjoy with family and friends or by yourself. Current owners have made some fantastic memories with their family and friends, and they know you will enjoy the rural property too. Subject to Council Approval you could place a home on the block and create a home away from home. Put this on your list to look at, as properties like this one do not come on the market often so don't wait or you could miss out.
