Care workers, such as teachers, healthcare professional and emergency services personnel, provide essential services and we want them to be able to live and work in our communities, contributing to the rich social fabric that essentially delivers long term value to our residents. Villawood's Care Worker Support Program started in early 2018 when it became apparent that people who provide an invaluable service to the community were increasingly unable to afford to live in the communities they served. Care workers can save up to \$10,000 on their dream home at Eucalee*. We have an exceptional north-facing homesite available for an eligible Care Worker to save \$10,000*. Positioned within Stage 3, Waratah Release, this large homesite offers boundless space to build your dream home and an easy walk to lush parklands and the central playground. Situated just minutes from the heart of Beaudesert town, with easy access to Brisbane and the Gold Coast, Eucalee is an idyllic country haven that is blissfully secluded, yet completely connected to every contemporary convenience. Eucalee offers a rare and unique opportunity to enjoy an urban lifestyle within a rural setting of the Scenic Rim surrounded by natural beauty and open space. The community will feature open space, playgrounds, urban art installations, waterway reserves, parklands, and walking trails for families to enjoy. Nearby Beaudesert town offers access to three major supermarkets, a hospital, a brand-new medical hub, and an extensive array of family-friendly community services including schools, a library, an aquatic centre, farmers markets and an arts and culture centre. Experience Eucalee first-hand and visit our brand-new unique land sales office, open daily from 10 am to 5 pm at 6605 Mount Lindesay Highway, Gleneagle.
