Imagine living in harmony with nature, enjoying the tranquility of rural living and being completely self-sufficient. With this rural block, you have the chance to build your dream off-the-grid home (subject to council approval) or this could be a place to come on weekends to getaway from city life. Already on the property is a lockable shed with concrete flooring. Embrace a sustainable lifestyle with solar panels for energy, rainwater for water needs and the ability to grow your own organic produce. Experience the joys of off-the-grid living and create a truly eco-friendly and sustainable lifestyle for yourself and your family. Don't miss this rare opportunity to own a 3.035 hectare allotment, just 5 minutes from Morgan. Contact Sharon today 0403 585 792. RLA - 315295
