The owners are ready to move on! Here we've got a stunning block that's got a seasonal creek snaking across the right boundary. A scattering of some mature hardwood trees, and a wildlife hub for the birds and wallabies! Anyone with a bit of creativity could see the huge potential of landscaping and taking advantage of the water as an impressive feature to this block. 5781m² of land set at the end of a cul-de-sac you've got no through traffic, privacy and a fair bit of peace and quiet. Included in the sale is a 20-foot shipping container for storage. This would be the cheapest block on the market in Glenwood currently, so get in quick and make the call!
