A home that offers plenty of space for your family to grow and room to entertain friends, the Northside will bring a relaxed and enjoyable experience to life, exactly the way it should be. Keeping all bedrooms to the rear and living zones to the front, the heart of the home with a large, modern kitchen and butler's pantry is set within an open, spacious layout of two separate living zones. Outdoor living is encouraged with a large, undercover alfresco area and courtyard accessible from both living and dining areas, adding to the elegant spatial flow of the home. These beautiful designs also offer up to four large bedrooms, including a master escape, equipped with large, well-appointed ensuite and walk in robe. The Northside designs are liveable, practical, and perfectly thought-out. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Northside design offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the side & front of the home, providing sustainable and comfortable living conditions throughout the year.
