If you're looking for a place to build a family home, it doesn't get better than this! Nestled away in Oscadia Pocket, located in the sought after Edenbrook Estate, it is one of few available allotments where you will not have back neighbours and instead have natural bushland on your doorstep and a beautiful, brand new children's playground just a minute away! Oscadia Pocket is an exclusive enclave with a limited number of allotments surrounded by open space, parkland and established trees. Lot 318 is flat with no retaining and includes the rear fence and walk through gate. The benefits of this location don't end there with a bus stop that services all Rockhampton schools close by and lush landscaped gardens, bridge and statement entry feature at the entrance to the precinct.
