A modern farmhouse floor plan that is spacious and light filled, suited to 25m + wide lots! Ideally suited to acreage lots and inspired by our Rural Retreat Range of spacious country-style homes, the Waratah home is our farmhouse floor plan that is feature-packed with modern inclusions. Inspired by the architecture of, bigger is better farmhouse living - large rooms, high ceilings and open space - this uniquely Australian range is also priced within reach of modern family home buyers. Combining the best aspects of a farmhouse floor plan, the Waratah includes four generously sized bedrooms, well-appointed bathrooms, a home theatre and a large open plan living area with gourmet kitchen. Feature-packed the Waratah boasts standard inclusions second to none, and a tonne of "extras" at no extra cost, like 31c high ceilings to the main living area, floor coverings and solar. With a modern elevation, double lock-up garage and all-weather alfresco area under the main roof, the Waratah delivers great value for money and perfect for people looking to make the tree change to surround themselves with trees - not neighbours! Of course, while we know great value is all about affordability, at Shelford Homes we also believe that great value means never compromising on quality, which is why the Waratah, is backed by our Shelford Build with Confidence Guarantee and our rock-solid Shelford Lifetime Warranty and comes complete with our ultimate specification - no tricks, no gimmicks, no kidding!
