Imagine yourself in a well planned family home that boasts spaciousness and open communal areas. The ground floor hosts a guest bedroom, powder room and spare lounge but the focal point of the home is the open concept kitchen and living with marvelous walk-in pantry. The bedrooms are situated on the top floor and are designed to suit children of all ages with walk through robes. For the parents, a glamorous master bedroom is the perfect room to come home to after a long day and the large rumpus encourages family living.
