Unbeatable Northern Beaches lifestyle that is conveniently located close to shops, schools and other amenities. With parks, playgrounds and walking trails. This family home has separate living areas for those growing families needing the extra space. The Greenshoal was designed with an open planned living area using stacker doors to join the outdoor alfresco area. Great for extending the entertaining area. The main bedroom features a walk in robe and ensuite, and all other bedrooms have enclosed robes. Overall this is a great home to raise a family. Don't miss out on this house and land package.
