Auction

Auction Location: McGoldrick Estate Agents Nestled in the heart of Bundewallah, on the tranquil outskirts of Berry, this exceptional 3.46-hectare (approximately 8.55 acres) parcel of vacant land presents a unique opportunity to craft your own slice of paradise. Surrounded by the breathtaking natural beauty of rural landscapes, this untouched haven is the perfect canvas for those dreaming of a peaceful lifestyle or seeking an idyllic retreat from the hustle and bustle of everyday life. This expansive block is more than just land; it's a gateway to a life of peacefulness, privacy, and panoramic views of the enchanting escarpment that characterises this sought-after location and with Chisholms Creek flowing through the eastern boundary. Imagine designing a home that captures the essence of country living whilst incorporating modern luxuries and sustainability, all tailored to your unique vision. The potential of this land is as vast as its views. Whether you envisage a sprawling family estate, a cosy cottage surrounded by native flora, or a sustainable off-grid hideaway, this plot offers the freedom to bring your architectural dreams to life. With ample space for orchards, vegetable gardens, or even your own vineyard, the opportunities for self-sufficient living are boundless. Located mere minutes from the charming village of Berry, you will enjoy the convenience of local shops, cafes, and restaurants, alongside the tranquillity of rural living. The vibrant community and rich cultural scene of Berry provide the perfect backdrop for a lifestyle that's as active or relaxed as you desire. Plus, with the stunning beaches of the NSW south coast only a short drive away, you can easily transition from country serenity to seaside escapism. This is not just land; it's a foundation for your future. A place where memories will be made, families will grow, and dreams will come to fruition. Don't miss the chance to own this unparalleled piece of Bundewallah, where your vision for a bespoke sanctuary can become a reality.
