Nestled in a serene location, this very impressive 2000m² vacant block of land provides a brilliant opportunity to build your dream home with an abundance of space for additional sheds and other infrastructure. The half-acre block enjoys a desirable north-east aspect ensuring optimal solar exposure. As the sun rises you can imagine sipping your coffee while basking in the embrace of the morning sun and then enjoying summer BBQ's in the shade of an alfresco entertaining area. The site is quite level and would provide for more affordable building costs yet the rural vistas will enable a peaceful environment to live. The block is a regular shape and has excellent vehicle access and good fencing. Whether you envision a sprawling residence, a sustainable paradise or an architectural masterpiece, this vacant block of land offers the ideal foundation to bring your dreams to fruition. Sealed Driveway Access to the block from Pockley Road.** All of our properties are available for private inspection at a time that suits you. You don't have to wait for a scheduled open house - please contact us to discuss a suitable inspection time. **
