Lot 4 Jodie Court is a huge 10,740sqm allotment located at the end of the cul-de-sac just off Vaughans Rd, 4km from the Yeppoon CBD and Main Beach. Featuring town water, power and NBN the lot is fully serviced except for sewer. The developers have created a large level 1 house pad whilst leaving established trees to create the country feel. There are no building covenants to constrain your imagination however there is a bio-diversity covenant/easement across the rear of the allotment. Construction is complete and titles have been issued.
