Group, we understand how important build time is to you. We're not a laid back building company; we know you're paying  
interest, we know you're paying rent, and we know you need your new home built on time. That is why New Property  
Group offers a variety of guarantees, with our most important being completing your build in a dedicated timeframe. We  
understand what is important to you and your family, that is why all our guarantees will ensure to keep you happy, within  
your budget, and to your timeframe. As mentioned above, we are transparent with our pricing. We include over 70  
fully-loaded inclusions in our homes to take the guesswork out of building. What do we mean by guesswork? This means  
we don't make the house appear cheaper than it is, we give you the price for the house you want. All our homes come with  
fully-loaded inclusions which feel anything but standard. We feel this level of inclusions are the kind that a finished house  
should have. This means when you visit one of our display homes you are seeing what you would get for the price we  
quote you. Nothing hidden, just real prices and value. Total Package Price includes \$10K FHOOG (Subject To SRO Eligibility)  
The First Home Owners Grant is a Government incentive and any claims will be lodged externally. Photographs in this  
flyer may depict fixtures, finishes and features either not supplied or are upgrade options. All floorplan, facade images and  
photographs have been used for illustrative purposes only (Refer to contract documentation for full details) and may not  
represent the final product as shown. Please refer to our New Home Consultant for an exact list of Inclusions. New  
Property Group reserves the right to amend specification and price without notice.
