\$675,000

At Songbird Oxley, we're bringing the idea of 'Living Harmony' to life while building on the long standing and beloved lifestyle that is 'the Oxley way'. Promising to be a community asset where you can build your dreams on a generous home site and locals can freely enjoy protected bushland, the abundant green space, and shared amenities. Songbird Oxley will be a uniquely uplifting place to visit, and an even better place to call home. Room to build, and breathe. Having the chance to secure a generous home site in a well-established area so close to the CBD brings true meaning to the phrase 'opportunity of a lifetime'. Each lot will present a unique canvas for homeowners to express their individual styles and tastes, while also ensuring there isn't a sea of sameness lining the streetscapes. A greenprint in modern living. Bushland protection and enhancement is a defining hallmark of Songbird Oxley, with a balanced reserve of nature conservation, open space, and green recreational areas. The respect given to topography and existing flora, through the use of bespoke slope-responsive design, is a significant consideration to not only ensure Songbird sets a high standard for environmental impact, but also benefits homeowners by creating serene outlooks and a greater sense of seclusion. 25 minutes from Brisbane CBD. Walking distance to The Station Oxley shops. 200m from Oxley Train Station. Leading private schools and education options, a short drive. 100% of the dwellings will have solar and battery, a future-thinking community. Family sized blocks, with panoramic tree lined views.
