Gifting households all the benefits of spacious living without having to go up the extra level, the sprawling Victor 29 has all the hallmarks of a contemporary family home. Quiet spots for remote work or study, plenty of indoor and outdoor living areas for all occasions and a comfortable master bedroom at the rear will leave you well-equipped to take on whatever each day brings. Plenty of built-in storage and a sizeable walk-in pantry are just two of the added bonuses that make the Victor 29 a smart choice.
