Located in Ormeau, in the booming northern growth corridor between Brisbane and the Gold Coast, Amara delivers an unmatched lifestyle and location. Residents enjoy excellent access to shops and eateries, with Ormeau Village located just a short walk away. In addition, you can choose from a range of education options with; early childhood, primary and secondary schools all within easy distance. Travelling to and from Amara is a breeze with excellent access to the M1, walking distance to bus stops, and the Ormeau Train Station. Perfect for maximising work-life balance, the Capri has plenty of options for creating spaces that allow you to focus on creativity and productivity or unwind and chill out in comfort. As you walk through the home, you will find a private study Adjacent to the entry that's ideal for running a business from home or just working efficiently, away from the noise and activity that's part of family life. Passing the handy, walk-through laundry with its practical storage and the beautiful central bathroom, the heart of the home opens out before you. Here, the gourmet kitchen directly links with the casual dining and living area overlooking the patio. This light-filled space also provides access to the three family bedrooms – any one of which could be easily transformed into a multi-purpose room. At the rear of the home sits the generous master suite with its walk-in robe and private ensuite. The home covers all bases, from how you and your family live, work, play, grow, study and relax. It is all up to you.
