\$3,000,000

Consisting of two very large adjacent lots of land with a combined total of over 3900 acres, this large scale rural property lends itself to plenty of possibilities. Features of the property include: - Stock fences with several dams and 2 sets of cattle yards. The potential of a solar or wind farm with the 275 kva national grid power line passing through. - There is potential to profit from a quality amount of hardwood timber ready to be cut and used or sold as an extra income. - Vehicle access to most of the property including the boundary fence line. This property is currently being used to ageist livestock.
