Its here!The next stage of the popular Huonville land release is ready for you to pick your favourite. There are multiple blocks all with different features. Is your preference to have a battle-axe block, tucked away up a private driveway? Is it an affordable block, assisting you towards building your dream home? Or did you want a bigger block to spread out and enjoy a view to the Huon River and surrounding hills or a direct view of Sleeping Beauty.Located within the heart of the Huon Valley, on the edge of the hub Huonville, this next stage is tucked away from the main road with access past the most recently build homes in town through to a cul-de-sac. The power and all town services are underground, providing a seamless street with only street lights dotted along full curb and guttering. The concrete footpath provides a nice finish and all the blocks have concrete crossovers.Positioned within walking distance to the Huon River and the Main Street where you will find all your major shops and services, this is a very practical location and yet nicely secluded from the hustle and bustle of the township.Lot 5: Offers Over \$255k (627m²)Lot 6: Offers Over \$260k (716m²)Lot 7: Offers Over \$265k (650m²)Lot 8: Offers Over \$245k (598m²)Lot 9: Offers Over \$250k (613m²)Lot 10: Offers Over \$275k (730m²)Lot 24: Offers Over \$350k (847m²)Lot 25: Offers Over \$350k (850m²)Lot 26: Offers Over \$335k (838m²)Lot 27: Offers Over \$335k (817m²)Please contact us for more information or to arrange a meeting on site.
