If you are looking for a dream home sanctuary with a layout designed for privacy on a low maintenance block but plenty of room internally for the family or guests, then this is well worth a look. The master bedroom is located at the rear of the home (backing onto bushland so no rear neighbours) with modern ensuite, large corner shower, floating cupboard and vanity with shaving cabinet and toilet. Bedrooms 2 & 4 are to the front of the home featuring carpet and built in robes and share the second bathroom. The well designed kitchen offers stone tops, gloss cabinets, stainless steel appliances, and all combines with the open plan dining and living areas which all lead to the patio. All the special touches which make this house a home have been covered, such as porcelain tiling, fridge tap, split system air cons, ceiling fans, safety screens, and quality fixtures and fittings. Externally the gardens are landscaped with auto irrigation, fencing, driveways, paths, letterbox & clothesline are all done for you to just move in and enjoy. Contact Cairns Key Real Estate today on 4042 6000 or chat to the team onsite daily 11-4pm via the Mount Peter Information Centre opposite the park and can walk you through the available homes in the estate.
