Lot 509 is a predominately flat block comprising of 674sqm with an 18m frontage and a North/South orientation. The block sits on the opposite side of the road to the gully blocks and will still catch glimpses of the adjoining farmland. The construction of the lots in Stage 5 in The Shannon Waters Estate is starting soon. This stage comprises the majority of flat blocks with a North/South orientation as well as some unique blocks overlooking a landscaped gully. The anticipated title release will be in the New Year. Apart from the standard underground town services Shannon Waters offer fibre optic NBN connections. The estate delivers a high standard of building design, landscaping and maintenance, with a strong commitment to the surrounding environment. Their overall masterplan is a living and breathing blueprint, offering something for everyone, now and into the future.
