Experience the epitome of lakeside luxury with our premium 3-bedroom residences featuring 2.5 baths, tandem garage, and meticulously landscaped private gardens. Nestled within the serene confines of a pristine 12.8-hectare lake and bordered by a 2.5km walking track, The Terraces offer an idyllic lifestyle for families, couples, and downsizers alike. Behind the masonry and verdant walls lies a tranquil sanctuary fostering connectivity and community spirit. Residents can indulge in communal dining, take a dip in the tranquil swimming pool, or unwind in private gardens designed to promote biodiversity and a cooling ambiance. Inspired by the timeless elegance of mid-century architecture, The Terraces epitomize spaciousness, luminosity, and proportion amid a serene park setting overlooking the lake and conservation area. The geometric exterior seamlessly blends with the surroundings, offering captivating views of the lake. Inside, the interiors are thoughtfully crafted to harmonize with nature, featuring custom finishes, sustainable stone, natural tiles, and premium carpets. Crisp neutrals and clean lines juxtapose the soft park outlooks, creating a seamless indoor-outdoor living experience.
