SOLD By Sylvie Clarke Fantastic vacant block on 630m² with 18m frontage in the prime Bacchus Estate situated in a great location on a no-through road, walking distance to Victor Harbor Golf Course and the popular Investigator College (R-12). The land has a sloping elevated position that would allow for a split-level home design where you can capture distant sea and bluff views. There is no time limit to build plus all services available. It is located among quality homes; a great opportunity to build your own design as an investment, or permanent residence for the whole family to enjoy. If you enjoy your golf, and as a member of the Victor Harbor Golf Club, you can simply drive your buggy up the road via a gate onto the 16th tee of the Golf Course. There is also easy access to Encounter Bay Oval and short drive to the beach or into Victor Harbor shops and other facilities. This is a great life choice if downsizing, doing a sea change or adding a new investment in your portfolio. For further information, please call Sylvie Clarke on 0411 191 005.
