With the marina at your doorstep and incredible views, even from standing this must be one of the best blocks on the market in Jurien Bay! This fantastic location allows your balcony to overlook much of the marina. Your sea views will never be built out, and what an interesting view it is! Watching boats coming and going and people swimming, crabbing, fishing, and playing at the beach. Changes every day! Ideally out of the wind too, with your views all facing north/easterly. The beach is across the road, probably talking 70m in all honestly, and only a 100m walk to the pristine Turquoise Coast, that beach is magnificent! This 420m² block is fully serviced with underground power, phone, water, and sewer with no time restrictions to build. Sound like your dream? It's certainly my lotto dream! This is truly a once-in-a-lifetime opportunity to secure yourself this priceless piece of land. Call Samantha on 0409 104724 for more information! Heads up, I'm buying multiple lotto tickets tonight, so get in quick!
