Living in Busselton is a delightful experience! Known for its stunning beaches, vibrant arts scene, and charming community, it offers a perfect blend of coastal living and cultural richness. The Busselton Jetty, one of the longest wooden piers in the Southern Hemisphere, is a iconic spot for a leisurely stroll or some fishing. The local markets and festivals add a lively touch to the community, providing opportunities to connect with neighbors and enjoy local produce. With a Mediterranean climate, you can expect mild, wet winters and warm, dry summers-perfect for enjoying the outdoor amenities like the alfresco area in your dream home. Whether it's exploring the nearby Margaret River wine region, participating in water sports, or simply enjoying the relaxed atmosphere, Busselton seems like a wonderful place to put down roots and savor the best of both coastal and community living.

The "Murray" is the epitome of comfort and luxury! The four spacious bedrooms offer ample room for relaxation and personal space. The inclusion of a theatre and a large alfresco area suggests entertainment and leisure are top priorities. The Daikin reverse cycle aircon ensures that every corner of the house stays perfectly comfortable, no matter the weather. Essastone benchtops in the kitchen, breakfast bar, ensuite, and bathroom add a touch of sophistication and durability. The master bedroom, complete with a walk-in robe and ensuite, creates a private retreat within the home. The 900mm stainless steel appliances, including a canopy rangehood, in the kitchen are a chef's dream. The high ceilings throughout the house, with an extra boost in the garage porch and alfresco, contribute to an airy and spacious atmosphere. It's not just a house; it's a haven designed for both luxury and practicality. Living here must feel like residing in your own private paradise!
