Located just outside Pingelly town and an easy drive from the Perth metro area this property presents an opportunity to get a start in farming in WA. Mostly cleared, much of the property has been cropped for the past six years and this year is in pasture. Soil types are heavy to medium loams and the farm features a centre creek draining fertile hillsides. Fencing is sound and there are two good sized sheds, one with a sectioned off area once used as a bathroom. With bitumen road frontage and ready for imminent takeover the small farm is sure to sell quick.
