YELLOWSTONE DRIVE, TUGRAH On the outskirts of Devonport, and set amongst quality properties, is where you will find 'Yellowstone Drive' - a new subdivision with only 10 blocks available to the open market. These lifestyle blocks measure in size from approximately 1ha to 1.26ha and with separate titles now issued...all that is left to do is to decide on the design of your brand new home (STCA). Located only a short 10 minute drive (approx.) to the CBD of Devonport, here is your opportunity to own at least 1ha of land - the perfect space to settle in and enjoy the rural surroundings, whether it be sipping on your morning coffee or entertaining family and friends, I'm sure there will be plenty of space for all to enjoy! With only a short commute to town or the surrounding suburbs, it is a convenient location that is becoming increasingly popular. With our daily lives generally becoming busier, it is a real advantage not having to travel too far for all of the conveniences of city living while still being able to enjoy the peace & tranquillity that living on acreage can bring. Each block provides a generous building envelope to accommodate your dream home plans, maybe even a shed or two. Services accessible to the blocks are power, phone line, NBN and water, with a type of septic system required to fully service a dwelling.
