Escape to the beauty of rural Bibbenluke! This remarkable residential parcel of land is the perfect opportunity for first-home buyers to build a large home with large land around you. This level block is approximately 80 kilometres from the Sapphire Coast and offers approx. 8,000 square metres. You'll feel right at home with the property's sealed road frontage and close proximity to the village of Bombala. Take in the tranquillity of this location in a small country Village. You can also enjoy the local wildlife and stunning sunrises from the comfort of your newly built home. This property offers an opportunity to build the house of your dreams. Create the perfect home for your needs. Utilize the level land to create a beautiful garden and take in the views of the rolling hills. The block has the addition of a small dam, Minto water for livestock and irrigation plus road access, and all fences in good order. Don't miss out on the chance to own this majestic property in Bibbenluke. It is the ultimate escape from the busy city lifestyle, where you can enjoy the peace and serenity of the countryside. Invest in this property today and turn your dreams into a reality.
