Rising from road frontage to an elevated building site towards the rear boundary, this 1.16 hectare site (About 2.9 Acres) comprises cleared, usable land with sensational rural and sea views over adjoining grazing and cane lands to Belmunda Bay and adjacent islands. Rural living with a view and only 20km North west of Mount Pleasant Shopping Centre. This is a rare jewel so close to the City and all amenities. The site is fenced on three sides, has power to the boundary and includes a cased bore which has been tested at 1,000 gallons per hour. Don't take my word for it, take a look yourself, you won't be disappointed. Phone Dan today for a private inspection prior to a Noon auction on Saturday 20th July. NOTE: As a directional reference point, look for 115 Attards Road which is the parent block.
