Offers Above \$599,000

A great opportunity to get into acreage at an entry level that has already had a lot of the hard work done! 4.2 acres of fully fenced land with a 2 bedroom, 1 bathroom residence with a full verandah and double carport and all of it is all only 2 years old! Approx 130,000L rainwater tank, ATU system, limestone driveway, all the basics are done! 1800m² building envelope in total so plenty of room left to expand or enhance so the only real question left is just how big do you want your shed?
