The title is true! It is a bargain! Recently cleaned up this block offers incredible value. 7000m2 of complete dead set value and opportunity. Set in a very peaceful and quiet location, this block has been selectively cleared leaving some nice shady trees for the local wildlife and creating a privacy screen to the 9mx6m concrete shed slab halfway down the block! To the right boundary there's a seasonal run off that goes into a landscaped dam making a fantastic feature to this property. The block also has a huge amount of large sandstone garden feature rocks, ready for the avid gardener to get the thinking caps on and get creative. Glenwood is a fantastic place to call home and this block in particular is positioned for those seeking privacy! Get in quick and give either Tim (0436 005 293) or Karen (0439 767 828) a call to get your personal tour.DISCLAIMER:" Whilst all due diligence has been taken in collecting and passing on the vendor supplied information, we do not accept responsibility for its accuracy and recommend intending purchasers/interested parties conduct and rely upon their own enquiries ".
