Once in a lifetime, an allotment is presented to the market which creates opportunities which have never been seen before & may not ever be offered again – welcome to Lot 634, Elizabeth Street, Tanunda. This incredible opportunity to build your dream home (STCC) overlooking the stunning gum-studded North Para River on a spectacular 2.5 acre block is now here & is likely to never be repeated, given the rarity of land in Tanunda, specifically those overlooking the river. Located at one of the Barossa's best addresses, your new allotment is just minutes' walk from award winning restaurants, cafes and Tanunda's shopping precinct while the Tanunda sporting complex is quite literally a stone's throw away. World renowned cellar doors and wineries are all at your fingertips while the commute to Adelaide is under an hour, making this an incredibly exciting proposition. Imagine sitting in your beautiful new home, glass of world-famous Barossa Shiraz in hand, watching the sunset over the breathtaking backdrop of the North Para River – it simply does not get any better than this. The property is accessed via a free and unrestricted right of way from Langmeil Road. Exceptionally rare and highly sought after – there is no doubt this is one of the best allotments to ever hit the market in the spectacular Barossa Valley.
