The Carnaby collection embodies sophistication and innovation for families seeking a little more from their everyday living. The warmth of the home is enhanced by the open plan design, creating a flow of natural light from the serene alfresco to the impressive kitchen with large walk-in pantry and meals area. The master bedroom, complete with a transcending ensuite and walk-in wardrobe, is situated at the front of the home and away from the remaining three bedrooms which feature their own built-in closets to optimise space. The Carnaby is a versatile design and can be upgraded to fit a media room, kids retreat or study to suit every desire and lifestyle.
