The Glendale 26 is a unique home with magnificent features for the whole family to enjoy. The classically elegant kitchen features a walk-in pantry and the open plan layout is perfect for dinner parties and allows the cook to still feel included and connected to the rest of the house. For growing children and teens who want their space, three bedrooms surround a modern bathroom and two include walk-in robes. The spare lounge makes a peaceful retreat or an entertainment room and the master bedroom with luxe walk-in robe and ensuite is tucked away at the front.
