Title has been given and this allotment is ready to build on now. Imagine the sight from your balcony, this large vacant building block is now available and perfectly located less than 2km from the heart of Gisborne. These generous land dimensions provide plenty of space, and you don't have to worry about restrictive building Covenants. Close to the regional town centre of Gisborne, at the southern end of the stunning Macedon Ranges, this is the ideal setting to build your future dream home in the Gisborne township. Quick access to the Calder Freeway and the local primary and secondary schools and childcare facilities are all located nearby and within easy walking distance. Make your move to regional Victoria count and secure this block today. Gisborne is perfectly located with urban proximity, and as the gateway to the picturesque Macedon Ranges. Enjoy local cafes, restaurants, markets and tree-lined streets.
