\$275,000

This vacant block offers a unique opportunity to invest in a prime 1350m², village zoning & mixed-use property, right in the heart of picturesque Candelo Village, with unparalleled potential for a blend of commercial and residential development. Our vendor is motivated to sell. This is a strategic location to establish your business, and/or residence with excellent visibility and a sunny aspect. Situated in a prime location, at the entrance to Candelo Village, residents and patrons will enjoy the ease of walking to local shops, cafe, parks, and community events, making it a hub for social and business interactions. The versatility of mixed-use zoning will ensure your investment will appreciate over time, making it a smart financial move. Contact us to invest in the charm, convenience, and community spirit of Candelo Village today!
