Live life to the max with the magnificent Magnus. The light-filled ground floor is given over to free-flowing open plan living, with a spacious kitchen placed at the heart of the home. Opening up into the backyard space for the kids or any pets, making this home the ideal entertainer. And there's no scrimping upstairs either with three large bedrooms all with built-in wardrobes. The master bedroom then indulges with its own ensuite with bath and private balcony. The garage benefits from a single roller door to the rear providing additional access. Live where calming green outlooks meet lively activity. Where natural beauty and tranquillity intersect with the flourishing, connected Aurora community. Habitas - a sanctuary you'll love coming home to. Experience the vibrant social heart of the Aurora community.
