Nestled within the serene embrace of nature's splendor lies Cameron Grove Estate, a sanctuary where modern elegance meets tranquil living. Envision waking each morning to the gentle whisper of rustling leaves and the symphony of birdsong, as sunlight dances through the branches, painting a picturesque canvas of beauty. The estate, adorned with lush greenery and vibrant flora, offers a harmonious blend of sophistication and relaxation, where every corner tells a story of timeless charm and refined taste. The Monaco 2 211 is a split level slab design that has the flexibility to suit a level or sloping site. The design allows for a split slab to create a step from the entry level up to the open plan kitchen and living area. With two bathrooms and four bedrooms - each with their own built-in or walk-in wardrobe - this is a great home for families and/or couples who love to have guests stay. The master bedroom and en-suite sit toward the front of the home affording privacy from the secondary bedrooms located discretely off their own hallway towards the other end of the home. A separate home theatre provides a second living area and is located at the front of the home, allowing for relaxation at the end of a busy day. Stepping outside, one is greeted by manicured lawns, meandering pathways, and cascading water features that invite leisurely strolls and quiet reflection. The community buzzes with energy, yet retains an air of tranquility, fostering a sense of belonging among residents who share in the joys of communal spaces and recreational amenities. Whether unwinding by the shimmering pool, indulging in a friendly game of tennis, or simply basking in the serenity of the botanical gardens, every moment spent within Cameron Grove Estate is an ode to the art of living well.
