Coral's floorplan designs are ideal for modern, close-knit families. The formal living at the front of the home provides you the option to make this a formal dining room, or otherwise a lounge area. It has the beauty of being flexible at different stages of life. The open-plan kitchen faces the meals and family room – making it perfect for inclusive entertaining. Large windows and sliding doors bathe the interiors with natural light - a treat for those who love long summer days. For complete privacy, the master bedroom is located at the back of the home and comes with a large ensuite and walk-in robe.
