Miravale was named the UDIA SA's Best Masterplanned Development 2022, and it's easy to see why. From its beautiful open spaces and quality streetscapes to its premium location within the township of Angle Vale – Miravale has become a popular lifestyle destination. Located within walking distance from our popular Central Park and play space, Miravale is home to a network of parks and fitness trails, ensuring that quality open space is always close to home. With an Early Learning Centre and future Medical Centre on site, Miravale is also zoned for Angle Vale Primary school and Riverbanks College – a brand new B-12 super school in Angle Vale. Also close to home are shops, supermarkets, sporting clubs and directly across the road is the award-winning Virgara winery and Sneaky's restaurant that boasts plenty of space for children to play outside. Miravale is an easy 30 minute drive to Adelaide via the new Northern Connector, making this an ideal opportunity to enjoy living away from the hustle and bustle in a close-knit community, but still being close to everything you'll need.
