If you have been chasing a bush block to get away from the crowds and enjoy nature this block would be perfect for you. Located 10 Minutes from Yangan via the Swanfels Valley this 27.9Ha (69 acre) block has good road access and a seasonal creek. Power is approximately 2km away so for this property off grid may be a good option. Lots of wildlife and tree covered areas to explore. There are no roads running through this block, viewing is therefore from Dollar Bill Drive. Call listing agent for inspection. LJ Hooker Warwick Principal Rob Finlay 0427 578 155
