Reward Yourself at The Multi-Award-Winning, Pacific Harbour Bribie Island estate Discovering your sea side lifestyle at Pacific Harbour Bribie Island is unlike any other, you'll ever experience. Connected to the main land via bridge, Bribie Island is Queensland's most unique, offshore destination. This community truly takes advantage of everything Bribie Island has to offer. Pacific Harbour Bribie Island has something for everyone. The beautiful Queensland weather is just perfect for you to enjoy kilometres of shady bike tracks and walking trails and long sandy beaches are nearly right on your doorstep, in fact you are surrounded by beaches. As a resident, you can come home after a stressful day to relax on your deck overlooking the water or bushland views, or unwind on the Pacific Harbour picturesque golf course where Golf course residential lots are also available. Access to both the open sea and the tranquil waters of Pumicestone Passage makes this an unrivalled boating address. Cast a line from the jetty, from a boat on the bay, even from your own backyard, or along the endless stretch of surf beach. If the world's best boating and fishing isn't enough to entice you, Bribie Island is also one of the rare locations where you can enjoy the exhilarating freedom of four-wheel driving on an ocean beach. Brisbane city is just under an hour away and the Sunshine Coast is an easy 45 minutes' drive. The Pacific Harbour Bribie Island community offers a unique island lifestyle that sacrifices none of the city conveniences. And the Bribie Island National Park encompasses and protects most of the land's natural beauty, meaning less than 20% of the island will ever be built on. Come home to Pacific Harbour, there's no place in Queensland quite like it.*Terms and conditions apply. Images are for illustration purposes only
