Kenfrost is proud to release this great size family home with open plan living areas, and main bedroom privately placed at the front of the home, with your own ensuite and walk in robe. Bedrooms 2,3 & 4 come complete with built in robes and are situated either side of the spacious family bathroom with separate toilet. The media room is placed towards the front of the home & could easily double as the kids activity room or home office. All the small touches which make this house a home have been covered, such as porcelain tiling, fridge tap, split system air cons, safety screens and quality fixtures and fittings. Externally the gardens are landscaped with auto irrigation, fencing, driveways, paths, letterbox & clothesline are all done for you to just move in and enjoy. There is even a roller door in the garage providing access to the rear of the property to create a possible safe storage location for a modest sized recreational vehicle.
