This picturesque block set on well over an acre and a half is perfect for those seeking some peace and quiet in tranquil settings. Considerably flat with just a gentle slope to the right boundary makes the ideal location to place a small dam to capture the rainfall for you to use on your creative gardens and freshly grown fruit trees and vegetables! If you have been looking for the ultimate lifestyle block to get away from the stresses of the suburban grind, this is certainly the block for you. Perfect for those choosing to live life simply and possibly enjoy off grid living. Glenwood is the go-to destination currently with good size lifestyle blocks, yet so close to the wonders of the Fraser Coast, Tin Can Bay and Rainbow Beach, or for those who want the security of medical services and some shopping, its all your choice with Gympie and Maryborough a three song trip either way! Call Tim (0436 005 293) or Karen (0439 767 828) today for more details.
