Peaceful and calm is what you'll get on this 6.5 acre property out on Cambewarra Drive. Situated in the popular Alta Mare development less than 10km into the townsite of Jurien Bay, your rural residential lifestyle awaits. There are no time restrictions to build with sealed roads and underground power. Jurien Bay is just a short 2-hour drive from Perth/Geraldton and is a thriving community and a town with increasing infrastructure. Why choose between "tree change" and a "sea change" when you can have both! Call Samantha on 0409 104 724 at Ray White Jurien Bay for more information such as development guidelines.
