Quinninup Karri lake blocks are extremely popular and are becoming less frequently available for purchase. This block is one of the best in the area given its location, positioned perfectly for enjoying lake walks. This 2,865m<sup>2</sup> property is located right at the tip of the Quinninup Lake where a path leads you to a rock bed and the beginning of a lake walk. Having power to the block is also a plus. You will find nature plus in the surrounds with State Forest home to countless birds, wild life and plenty of wild flowers. Quinninup Tavern is a popular go to with a great atmosphere, hot meals and ice cold beer. A small post office and resource centre with more to offer.
