Primed and ready for a dream lifestyle home, this gently undulating land offers a superb outlook you can enjoy for many years to come. With a massive frontage in excess of 100m and a total land mass of approximately 3.89 acres, this allotment would allow you ample space for a rural style property without the fuss. Surrounded by high quality properties and like-minded people, this may be the land you've been holding out for, with easy access to power and water already on site via the Sunnyside water scheme. Priced for immediate sale, enquiries must be quick!
