This idyllic, creek – side property is tucked away in the rural locale of Cainbale, approximately 15 minutes south of Beadesert. Comprising 6 acres (2.46 hectares), the land is cleared and predominantly flat, with just a gentle slope from the road. There is plenty of high ground to build a home and establish sheds/stables etc with a view to the east, overlooking the creek. The property is fully fenced and power is available at the road. Cainbale Creek is a semi – permanent watercourse, offering beautiful spots to explore and naturally attracting a multitude of wildlife to the property.
