This stunning elevated block in Bindoon Vista estate offers incredible valley views and your very own reticulated orchard of approx 150 trees. Forget about the tiny suburban blocks you are used to, here you have over half an acre of space to spread your wings. Trees include both citrus and stone fruit and are drip fed with 3 x 4,500L water tanks located at top of property. The property is serviced with underground power and scheme water and situated within walking distance to the Bindoon town centre. Bindoon has great local amenities and services such as post office, bakery, IGA, hardware, butcher, medical centre, primary school and sporting facilities and is a safe small community, now only 35 minutes from suburbia, it is an easy commute letting you live the best of both worlds.
